SMALL TRUCK? BIG FUN!

The all new MT-1 Monstertruck from ANTIX by LRP will be the new star in your backyard.

Easy to handle 1:12 scale Monstertruck with full proportional steering and throttle functions,, a replacable LiPo battery with quick charger, 2.4Ghz transmitter which is just perfect for younger pilots hands and a great Monstertruck Bodyshell with big dirt rubber wheels is what you get in the box.

Just charge your new backyard beast and take it outside. With a maximum speed of 35km/h it will be the next must-have in your neighborhood. Bash the garden or race with your buddies - the MT-1 is the tool of your choice!
